Sattva Group has launched its landmark plotted development project in Mandya, the sugarcane capital of Karnataka. Sattva Kaveri Siri which is located on the Mysuru-Bengaluru 10-lane expressway, offers 652 well-laid out plots spread over 35 acres of lush green foliage.

Bijay Agarwal, MD, Sattva Group, said, "Over the years, plots have always been the homebuyers' first preference in India. With the pandemic, demand for plotted development projects gained momentum. With Sattva Kaveri Siri, we hope to meet the homebuyer's demand and be a perfect choice for aspirational property buyers and investors."

The project features a lavish 25,000 sq-ft colonial-style clubhouse, with an enclosed swimming pool, etc.
